## Featuring National Caller Bobby Poyner

Bobby, from Joliet, Illinois, a suburb of Chicago, became a caller in 1982 after having had roots anchored deep in the square dance community beginning in 1970. Bobby says, "I could not imagine my life without square dancing. I was born into this activity, my children will now be born into it and I will be in this activity for as long as it lets me."

## Featured National Cuer Jerry Buckmaster

with Zodie Reigel

In 2001, Jerry and Zodie started cueing and teaching rounds at Buoy's and Belles Square Dance Club in Waukegan, Illinois. When they retired and moved to Wisconsin in 2007, they built a dance studio in their new home and added private round dance lessons to their already busy schedule. They cue for many of the square dance clubs in Wisconsin and Illinois.
